My name is Vic Giangrant, owner of Westside Carwash, and I am writing to support the pedestrian safety ordinance.

From the business, I see firsthand how dangerous the median activity has become. Individuals standing so close to traffic puts them and drivers at constant risk. Near-miss incidents happen more often than most realize, and one wrong step could lead to a tragedy that affects multiple families forever.

This ordinance is a balanced approach to keeping people out of harm's way. It protects pedestrians as well as the customers and community members traveling through Dover. We need to take steps now to prevent injuries, accidents, and potentially life-changing outcomes.

For the safety of everyone using our roads, I strongly encourage you to support this ordinance.

Thank you,
Vic Giangrant
